About CfBT

CfBT Education Trust, UK is a leading non-profit education consultancy and education resource management organisation. It has been working on education as a vehicle for rural development, capacity building of educational stakeholders, English language teaching and training as well as other support services to schools globally for the past forty years. **CfBT** Education Resource Management Pvt. Ltd., is the Indian affiliate of **CfBT** Education Trust, UK. **CfBT**'s aim is to share its international expertise in training and education with Indian schools. It creates self-sustaining delivery systems that raise standards in teaching and learning through focused training and support to schools.

CfBT has customized modules for Nursery teachers on child development process and methods, time management and evaluation. It has also specially designed modules for managers of Nursery schools on school administration and management, including market strategies. In addition, well-designed monitoring formats are used to collect information and to conduct regular review meetings.

CfBT is an authorised centre for University of Cambridge International Examinations, UK. **CfBT** offers Certificate Course for Pre-Primary and Primary Teachers (CCPPT), a comprehensive programme for teachers which prepares them as world class pre-primary & primary teachers. Participants are trained and prepared to take the Cambridge International Certificate for Teachers and Trainers exam. Successful candidates are awarded certificates from University of Cambridge International Examinations.

About CCPPT Programme

CCPPT is a six months full-time programme, with 2-trimesters. The programme has a design of two months of theory classes followed by 4 months internship in schools, which are in contract with **CfBT** for this project. On completion of the course, the students shall be entitled to submit their assignments to University of Cambridge, under the guidance of Cambridge certified master trainers of **CfBT**.

Course Content

- Course I: Trends in Early Childhood Education
- Course II: Child Development and Learning
- Course III: a. Organisation and Management of Preschool/ECCCE centres
b. Child Health and Nutrition
- Course IV: Teaching Methods & Curriculum Development

CIE Modules:

- Section 1: Overview of the Certificate
- Section 2: Assessment procedures
- Section 3: Syllabus overview
- Section 4: Unit specification
 - Developing a new teaching approach
 - Facilitating active learning
 - Reflecting on practice
- Section 5: Grading

Methodology:

The candidates have 75% practice classes in the school, which includes observation, planning and preparation for class, field visits and teaching in the class. They are expected to teach and practice the methods/approaches during the course. Besides this, every trainee is required to take part in all the curricular and co-curricular activities of the school. The programme focuses on theory and practice in an integrated manner with a blend of 25:75 weightage for each.

Course	Theory Hours		Practical Hours Internship		Total Hours	
	Hours	Weightage	Hours	Weightage	Hours	Weightage
