6. Brief description of service:

Feed back from School Principal:

ECE was helpful to our teachers and they have achieved knowledge of coping with a dynamic changes and have become aware of changing trends in child development.

The voice, acceptance of the trainees, the pronunciation during the programme have left very good impressions on the participant.

It is hoped that the trainees after attending this programme are going to be surely empowered to meet the demand of classroom teaching resulting in a creative learning.

The cordial behaviour of the coordinator with her deep concern with the Learning of ECE of a preschooler is highly appreciated.
